

《办公室最实用的英语口语：感冒》

人吃五谷杂粮，没有不生病的。生病了还要继续工作，确实有点难受，更重要的，你的病有可能传染给同事哦。

Alicia: You look run down , Brian.

艾丽西娅：布莱恩，你怎么筋疲力尽的。

Brian: Yeah. I've been feeling under the weather recently. I caught a bad cold last week, and I still haven't gotten over it.

布莱恩：是啊，我最近病了。上周得了重感冒，到现在还没好。

Alicia: Well, you wanna take sick leave ? All you need now is a good, long rest.

艾丽西娅：哦，你要请病假吗?你现在需要好好休息一下。

Brian: I guess so. Even though I seem to be over the worst of it, I don't want to give the bug to anyone in the office.

布莱恩：我觉得也是。虽然最难受的阶段已经过去了，但是我不想传染办公室的人。

Alicia: Yup. Better not.

艾丽西娅：恩，最好别传染给其他人。
